WILDE DIERE

Gedurende November en Desember is hier meer beweging in Blue Ridge en ons wil versoek dat u toesien dat die wild op geen manier gekonfronteer word nie.

Daar was onlangs 'n insident waar 'n bok binne 'n huis 'n dame beseer het.

Ons vra ook dat die spoedgrens nie oorskry word nie en pasop vir die skilpadjies wat oor die pad loop.

Bosbokke en Slang is gevaarlik!

Voer van wilde diere is verbode!

Sekuriteit

Die Komitee is steeds besig met hul ondersoek rakende die sekuriteitstelsel en 'n skrywe in die verband sal binnekort uitgestuur word.

NEEM KENNIS:

Besoekers of vakansiegangers moet kennis neem: Geen honde of katte word toegelaat nie.

I would like to thank all the owners for their cooperation and in particular the serving HOA members for their untiring efforts to act in the interests of Blue Ridge.

May Christmas 2019 give you courage, joy and sense of life.

May we this Christmas once again, together with all other believers, embrace the unconditional love of God in Christ.

May our whole life be fulfilled with the love of Jesus.

And may we live out this love to the full every day.

WILD ANIMALS

During November and December, there is more movement in Blue Ridge and we would like you to request that the wildlife is not confronted in any way.

There was an incident recently where a bushbuck injured a lady inside her house.

We also ask that the speed limit is not exceeded and beware of the turtles crossing the road.

Bushbuck and snakes are dangerous!

Feeding wild animals are prohibited!

TAKE NOTE:

Visitors of holidaymaker take note: No dogs or cats are allowed.

Security

The Committee is still conducting their investigation regarding a security system and a letter in this regard will be sent shortly.
