Goeiedag!

Ons is in die middel van Winter, alhoewel die mense wat weet sê dat ons winters hou tot Desember?!
Dit gaan baie goed in Blue Ridge en die bouers is baie besig. Ons wil graag net 'n beroep doen op eienaars wat bou, of gaan bou, om asb te sorg dat die boupersele netjies gehou word en toegespan word. Dankie byvoorbaat.

Amanda en Killer het al meeste van die verfwerk in Blue Ridge gedoen, en die strepe op die spoedhobbels sal binnekort geverf word.

Daar is op die oomblik baie bokkies wat vir ons kom kuier en ook 'n klomp nuwe kleintjies.

Daar is ook meer ligte in die strate opgesit, sodat dit beter verlig is in die aand.
Ons wil vir al die komiteelede wat ontsettend hard werk om dinge te laat gebeur, baie dankie sê vir al hulle onbaatsugtige harde werk. Ek is seker almal van ons waardeer dit baie!

Good day!

We are in die middle of Winter, although people in Mossel Bay that know, say Winter lasts until December ?!

Things are looking very good in Blue Ridge and the builders are quite busy. We would like to ask the owners who are building to please see to it that that the building sites are kept neat and clean and that the site is fenced in. Thank you!

Amanda and Killer have already done most of the painting jobs that had to be done in Blue Ridge and will start painting the speed bumps soon.

At the moment we have lots of bush buck visiting us in Blue Ridge. Also a lot of baby buck.

More street lights have been put up.
We would like to thank the committee for all the hard work. I'm sure you would agree that we all appreciate their hard work!

The women's CCC (coffee, cake, chat) in February was really great! Unfortunately, with the new Covid wave, we'll have to wait a while before we can do it again.

With this month's minutes you will receive the proposed changes to the Constitution for your imput and comments which must reach us within 2 weeks.

With some beautiful flowers, we say:
Bye for now. Please stay safe and healthy!!

Linda
