

Goeiedag!

Dis Lente, maar die Winter is nog hier! Ons hoop dat die Somer weer spoedig sy verskyning sal maak. Maar die weer het geen effek op die bokkies nie. Hulle word net meer en meer en geniet dit hier in ons plekkie. Hoe bevoorreg is ons nie!

Hier is 'n paar syfers om te wys hoe Blue Ridge uitbrei:
Daar is nou al 44 huise wat klaar gebou is.
Op die oomblik is daar 4 huise in aanbou
Daar is ook 'n hele paar planne ingedien vir goedkeuring.
Dan is daar ook 5 erwe wat aan huiseienaars behoort en nie op gebou word nie.

Ons wil vir alle nuwe eienaars welkom heet en hoop dat julle baie lekker hier gaan bly.

Dan wil ons ook vir Werner en Rienie Kasch van no 78 totsiens sê. Hulle het 'n klompie jare hier gewoon en trek binnekort Engeland toe waar hulle by die kinders gaan woon. Geniet elke oomblik! Ons gaan julle mis.

Nuusbrief / News Letter September 2021

Good day!

Although it is officially Spring, Winter is still in the air. We really hope that Summer won't stay away too long and will appear soon! But the weather has no effect on the buck. They are enjoying life in Blue Ridge and we are so privileged to have them around.

Just a few numbers to show you how our estate is expanding:
There are now 44 houses in Blue Ridge. At the moment another 4 houses are being built.
There are also quite a number of building plans that have been handed in for approval. Another 5 plots belong to home owners and will probably not be built on.

We would like to welcome new home owners. We hope you are going to enjoy it here as much as we do.

We also want to say goodbye to Werner and Rienie Kasch from no 78 who lived here for quite some time. They are moving to England soon to live with their children. Enjoy it! We are going to miss you.

Ons vra dat almal wat by die hek in of uit gaan, asb. wag totdat hy weer toegaan. Daar is mense wat inglip wanneer hulle sien die hek is oop.

Hou asb by die spoedgrens van 20 kph op ons paaie. Die skilpaadjies gaan weer binnekort begin rondloop.

Omdat ons so na aan mekaar woon, vra ons dat almal asb mekaar in ag moet neem wat geraas aan betref. Baie dankie by voorbaat.

Wat die vulliskamer aan betref net 'n vriendelike versoek: gooi asb ALLES in die verskeie sakke (ook braai as). Kartonbokse moet opgevou word, en Killer sal dit uitneem op Vrydae vir die munisipaliteit kolleksie.

Blue Ridge is tans besig om 'n sekuriteits-kamerasisteem op te sit by die Noordelike grens (Flora Straat) en Oostelike grens (groen belt), sowel as by die bokke se opening op die gemeenskaplike eiendom. Dit behoort by die einde van September klaar te wees.

Die hek en trappe by die ingang sal binnekort herstel word. Een van die kontrakteurs het daarin vasgery. Omdat dit 'n versekeringsaak is, neem dit 'n bietjie langer om alles uit te klaar.

Dames, die KKK (Koffie, koek en klets) klub sal hopelik in Oktober hervat word. Dit lyk of die nare virus bietjie begin bedaar, maar mens weet nooit wanneer hy weer opvlam nie.

Bly veilig! Tot volgende keer!
Linda

If you drive in or out of the gate, please wait until it closes. There are people who slip in when they see that the gate is open.

Also keep to the speed limit of 20 kph in Blue Ridge. The tortoises are soon going to start roaming around again.

Because we are living so close to one another, we would like to ask you to please respect the neighbours and not make too much noise.

Please put ALL your rubbish in the bags provided, also your braai ashes. You must fold up the cardboard boxes and Killer will put it out on Friday's for municipal collection

Blue Ridge is in the process of installing a security camera system on the Northern border (Flora Road) as well as the Eastern border (green belt) and the buck opening on the common property. It should probably be finished by the end of September.

The gate and steps at the entrance, will be fixed soon. One of the contractors drove into it. Because it is an insurance claim, it takes a bit longer than usual to sort things out.

Ladies, the CCC (Coffee, cake and chat) club will hopefully resume in October. It seems as if the awful virus is subsiding a bit, but there is a chance of it flaming up again.

Until next time, stay safe!
Linda
