Nuwe Eienaars

Blue Ridge begin nou vol loop en ons wil graag al die nuwe eienaars en huurders baie welkom heet. Ons hoop julle geniet dit net so baie soos ons hier. Ons is regtig bevoorreg om in so 'n mooi deel van die land te kan woon. Geniet hom!

Tuine

Soos julle seker opgemerk het, is ons tuine pragtig, en daar is 2 mense wat ons daarvoor moet bedank: Lydia Potgieter en Killer. Dit is regtig 'n lus vir die oog en lekker om deur die groenstrook te stap.

Dan wil ons ook graag vir die mense wat bankies vir die tuin geskenk het, baie dankie sê. Dit is heerlik om net te sit en na die bakkies en natuur te kyk. Manne, vat jou vrou en 'n kussinkie of 2 en gaan geniet die uitsig!

Nuusbrief / News Letter Junie / June 2022

Good day!

Time flies and it is already the middle of Winter. But, don't be mistaken, the cold weather is still on its way!

Here are the names and portfolio's of the new committee as chosen on the annual meeting:

Chairman	:	Gerrie Germishuizen
Secretary	:	Tertius Teichert
Treasurer	:	Reinet v Huyssteen
Building and Infrastructure	:	Leon Neveling Jakes Koen
Gardens and common property	:	Konrad Teichert
Security	:	Malcolm Johnson

Congratulations! We are sure that you will look well after Blue Ridge.

New Owners

The residents of Blue Ridge would like to welcome new owners and tenants. We hope you will enjoy it as much as we do. We are really privileged to live in such a beautiful part of the country. Enjoy!

Diere

Ons is bevoorreg om al die diere in Blue Ridge te hê. Om te dink hulle was hier voor ons! En daarom wil ons asb vra dat almal verdraagsaam sal wees met hulle. Moet hulle asb nie verjaag nie. Dis hulle plek ook. Gaan sit eerder rustig, drink 'n glas wyn en kyk na hulle gedrag en wat hulle alles aanvang.

Hek en Meubelvervoerwa:

Ons wil asb net weer vir almal vra om te wag by die hekke totdat hulle toemaak. En hou asb ook by die 20 KPH spoed.

Wanneer eienaars uittrek of intrek in huise, wees asb bewus daarvan dat daar nie baie groot vervoerwaens mag inkom nie. Daar moet 'n kleiner trokkie saamkom om dan die meubels van die vervoerwa (wat buite die kompleks moet wees) na die huis toe moet vervoer. Ons paaie is nie van so 'n aard dat dit al die swaar voertuie kan hanteer nie. Baie dankie by voorbaat.

Ten laaste 'n versoek van my af: in Blue Ridge woon ons baie na aan mekaar en ons is nie almal eenders nie. Kom ons wees verdraagsaam met mekaar en kommunikeer probleme met mekaar. So kan ons almal in vrede hier woon.

Baie dankie en groetnis tot 'n volgende keer!

Linda

Gardens:

I am sure you saw that our gardens are looking beautiful, thanks to Lydia Potgieter and Killer. It is really beautiful to look at and to take a walk around.

We would also like to thank the owners who donated the benches in the garden. It is wonderful to just sit there and watch the wildlife and nature. Guys, take you wife, as well as something soft to sit on, and enjoy the view.

Animals

We are really privileged to live in Blue Ridge where all the animals roam around. To think – they were here before us. And that is why I would like to ask everyone to bear with them. Don't chase them away – they were here first. Rather sit down, drink a glass of wine and look at their behavior. Enjoy them!

Gate and Furniture Removal Trucks

We would like to remind everyone to wait at the gates until they close, before moving on. And please – keep to 20 KPH speed limit. When residents move in or out of a house and furniture have to be removed, please take note that **huge** removal trucks are not allowed. There should be a smaller truck to transport the furniture from the big truck (that should be parked outside Blue Ridge) to and from the house. Our roads cannot accommodate such heavy trucks. We thank you in advance!

Finally I have a request: In Blue Ridge we live very close to one another and we are not all the same. Please, let's be tolerant and bear with each other. That way we can all live peacefully in our wonderful estate!

Thanks and greetings till next time!
Linda
