

Dagsê!

Ek kan nie glo dat dit al amper die einde van die Winter is nie, al voel dit nie so nie. Die Wes-Kaap is nou op sy mooiste – blomme en fynbos waar jy kyk! Dis pragtig!

Daar is 'n hele paar dinge wat ons wil noem:

Skenkings:

Daar is die afgelope paar maande baie skenkings aan Blue Ridge gemaak: potte, plante, ens. Ons wil graag vir almal wat bygedra het baie dankie sê daarvoor. Dit laat ons ou plekkie net soveel mooier lyk.

Wees asb te alle tye vriendelik en respekvol teenoor inwoners en besoekers aan Blue Ridge.

## Nuusbrief / News Letter Augustus/August 2022

Good day!

I can't believe that it is almost the end of Winter, even though it doesn't feel like it. We are freezing at the moment!  
The Western Cape is at its best at the moment - fynbos and flowers everywhere. They are really beautiful!

There are a few things we would like to touch on:

Donations:

The past couple of months we had quite a lot of donations made to Blue Ridge: pots, plants, etc. We would like to thank everyone who made donations. We really appreciate it!

Please, at all times be kind and respectful to owners and visitors of Blue Ridge.

Small dogs are allowed in Blue Ridge. We ask owners to please register your doggies. Complete the prescribed dog ownership registration form (attached) and submit it to Status-Mark.

Klein hondjies is toelaatbaar in Blue Ridge. Ons vra dat eienaars asb die honde registreer. Aangeheg is 'n registrasievorm wat ingevul en aan Status-Mark gestuur moet word.

Indien jy bietjie gaan stap of rondry in Blue Ridge, en jy gewaar iets wat stukkend is of bietjie aandag nodig het, laat weet asb. vir Status-Mark, sodat dit so gou moontlik aandag kan kry. Ons sal dit hoog op prys stel.

Kragopwekkers is toelaatbaar, indien nodig. Dit mag nie later as 22h00 in die aand aan wees nie. Ons wil egter aanbeveel dat mense eerder van ander, eco-vriendelike alternatiewe gebruik maak, indien moontlik. Ai tog, ESKOM sal maar altyd 'n probleem wees.

Afstandbeheer van die ingangshek: ons vra dat mense nie hulle knoppies vir enige iemand anders (bv tuindienste, bediendes, vriende, ens) gee nie. Indien ons rond en bont afstandbehere uitdeel is daar geen sekuriteit in Blue Ridge nie. Hierdie is nogal 'n groot probleem en ons vra almal om hiermee te help.

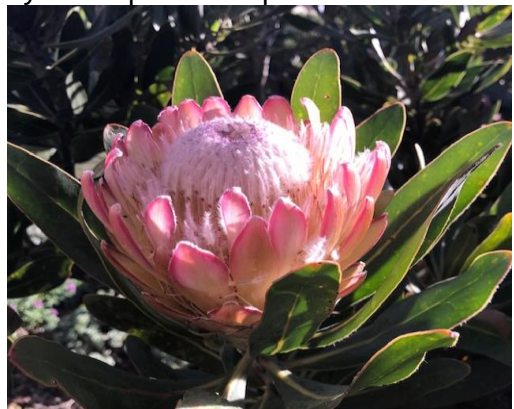

If you go for a walk or drive in Blue Ridge and see something that's broken or needs 'tender loving care', please let Status-Mark know. In that way we can get it fixed sooner than later. Thanks in advance.

Generators are allowed in Blue Ridge, but cut-off time is 22h00. We would however recommend that residents rather make use of other eco friendly alternatives, if possible. I think ESCOM will always have a problem of some sort.

Remotes for the main gate: please do not give any remotes of the gates to anyone (eg garden services, cleaners, friends, etc) If we start giving remotes to everybody, we don't have any security measure in Blue Ridge. This is a big problem at the moment, and we ask everyone to please help with this matter.

Laastens: hierdie is my laaste nuusbrief. Ek het besluit dat ek dit nou lank genoeg gedoen het, en dat dit nou nodig is vir nuwe bloed en idees.

Ons praat weer as ons mekaar sien in die strate van Blue Ridge.

Groete  
Linda

Finally: this is my last news letter. I decided that I've done it long enough and that we need new blood and new ideas.

We'll see each other in the streets of Blue Ridge.

Regards  
Linda
